

IoT Center Enrollment Form

This form will confirm that _____ (*name of donor organization*) intends to contribute a total of \$15,000 dollars to the University of Wisconsin Foundation.

This contribution is to be used for support of the Internet of Things (IoT) Systems Research Center within the College of Engineering at the University of Wisconsin. These funds will be used to support the expenditures of the IoT Systems Research Center as indicated, including, but not limited to: salaries for IoT center staff, faculty and student assistants; expenses for conducting IoT center activities; purchase of necessary supplies and equipment; travel and other necessary expenses; expenses for Web site development and maintenance; marketing communication expenses; and expenses for other support services to perform IoT center activities.

The IoT Systems Research Center, under the supervision of the Director Professor Shiyu Zhou will perform the following activities:

- a. Manage work groups to foster pre-competitive research, collaborative learning and knowledge sharing of IoT-related technologies, applications, best practices, challenges and lessons learned.
- b. Organize educational events such as workshops, Webinars and conferences.
- c. Conduct research on topics of broad interest to the IoT Systems Research Center. These research projects are conducted by students, faculty, and/or IoT center staff.
- d. Manage a website for sharing information pertaining to IoT center activities.
- e. Publish technical materials and reports.

The Donor understands that the University, in accepting these funds for the purpose and activities herein stated, intends that they shall be used for promoting knowledge of IoT technologies and applications. The results of the IoT Systems Research Center's activities shall be made public by the University, through publication or otherwise, in any manner that it may deem desirable, keeping in mind that the public interest or welfare shall be dominant.

The donor will be recognized as a Member of the IoT Systems Research Center for a period of one year and invited to renew this gift on an annual basis. The University of Wisconsin Foundation will keep these funds in a segregated account and will transfer them to the IoT Systems Research Center on the instruction of either the Director or his/her authorized representative.

Checks should be made payable to the University of Wisconsin Foundation (Tax ID # 39-0743975) and sent to Rob Warren, Administrator, Internet of Things Systems Research Center, University of Wisconsin-Madison, 2226 ME Building, 1513 University Avenue, Madison WI 53706-1572.
